# MEMORANDUM FOR THE RECORD

## Morning Meeting of 22 July 1969

The Director opened by noting Bruce Clarke's presence and went on to discuss today's schedule. It was decided that [ ] will respond to Senator Cooper's written inquiry on Soviet submarines, utilizing informal notes from which he will speak rather than providing a blind memorandum. General Cushman was asked to take today's NSC meeting on the SALT/Verification problem, with the DD/S&T accompanying him. The Director noted that he is freeing himself in order to appear before the Senate Subcommittee on Constitutional Rights.

Godfrey reported that the DD/I task force in support of the President's travel becomes operative today.

Godfrey briefed on the "soccer war" and related that developments suggest the OAS may lose further status as a peacekeeping organization. He pointed to some indications that Guatemala and Nicaragua may become involved.

[ ]

Bross briefed on conversations held over the weekend with respect to the Froehlke report and the advisory body which is to recommend DOD reorganization.

25X1

DD/S&T reported on [ ] unhappiness with the Froehlke report. The Director commented that Secretary Packard has assured him that we will be consulted on the implementation of the recommendations contained in the report.

DD/S&T briefed on Luna 15 and pointed to his tentative view that it may have landed on the moon and then been unable to get off.

Executive Director briefed on his conversations yesterday with Tony Lake of Dr. Kissinger's staff and Arthur Hartman of State (see

Executive Director's Memo for the Record dtd 21 July 1969). The Director noted that he has received a copy of the resulting Directive from Dr. Kissinger and complimented the Executive Director on his handling of this problem, noting that the last paragraph of the Directive protects the intelligence community's interests and contains the provisions we earlier sought by separate Directive.
